Dear All,

I am excited to introduce Issue-2, Volume-2 of the peer-reviewed open access "International Journal of Medical, Pharmaceutical and Biological Sciences (IJMPBS)" journal, which is available online. Two research pieces and two comprehensive review articles are included in this issue. This issue covers areas from the different disciplines of pharmaceutical and medicinal field. The current issue deliberates about development and characterization of solid SMEDDS of Loratidine. This issue also covers in depth discussion about the medicinal properties of plant species like *Tinospora cordifolia* and *Lycopodium clavatum*.

This journal's launch is intended to assist students, researchers, and scientists from all over the world in gaining access to high calibre, peer-reviewed scientific articles and connecting their highly effective work across the entire spectrum of medical, biological, pharmaceutical sciences, and related disciplines.

I want to congratulate and thank each author for their involvement, support, and publication of an article in this issue. The editorial board members and reviewers have made significant efforts to critically evaluate the papers in order to uphold the journal's high standards for quality. I would like to thank everyone who visited our journal's website, including readers, researchers, students, and professionals. Looking forward to your ongoing inspiration and assistance.

Thanks.

With regards,

Associate Editor,

International Journal of Medical, Pharmaceutical and Biological Sciences (IJMPBS)
