Dear Readers,

I am delighted to announce the release of Volume 3, Issue 2 of the peer-reviewed, open-access journal *International Journal of Medical, Pharmaceutical, and Biological Sciences (IJMPBS)*. This edition, available in both online and print formats, features a collection of five meticulously researched articles that contribute significantly to advancements in the medical, pharmaceutical, and biological sciences.

Highlights of This Issue:

- *Launching of the Issue-2 of Volume-3 of International Journal of Medical, Pharmaceutical, and Biological Sciences* – An overview of the issue's launch, including its key themes and objectives.
- *Development and Validation of a Robust RP-HPLC Analytical Method for Quantification of Ziprasidone* – A detailed exploration of a validated RP-HPLC method for the accurate quantification of ziprasidone, advancing pharmaceutical analytical practices.
- *Novel Drug Delivery in Management of Constipation with Special Reference to Herbal Medicines: A Comprehensive Review* – A thorough review of herbal medicine-based drug delivery systems for constipation management, emphasizing their scope and therapeutic potential.
- *Toxicological Evaluation of Targeted Hybrid Compounds: Imidazopyridine Derivatives Linked to Heterocyclic Ring Systems for Cancer Treatment* – An insightful analysis of novel hybrid compounds, focusing on their toxicological evaluation and potential applications in cancer therapy.
- *Phytochemical Screening, Chromatographic Isolation, and Antioxidant Evaluation of *Ageratum Conyzoides* Linn Extracts* – A study investigating the phytochemical and antioxidant properties of *Ageratum conyzoides* extracts, offering new perspectives on its medicinal potential.

This issue is a testament to the hard work and dedication of our contributing authors, editorial board, and reviewers who have ensured the highest standards of academic rigor and quality.

Our journal remains committed to serving as a valuable resource for students, researchers, and professionals, facilitating the dissemination of peer-reviewed scientific advancements in medical, pharmaceutical, and biological sciences.

International Journal of Medical, Pharmaceutical and Biological Sciences...July - September 2023

To our readers and supporters, your unwavering commitment drives us toward excellence. We eagerly anticipate your continued engagement and participation in our future endeavors.

Thank you for being an integral part of our journey.

With regards,

Chief Editor,

International Journal of Medical, Pharmaceutical and Biological Sciences (IJMPBS)
