Congratulations - SJIF Impact Factor Evaluation [SJIF 2023 = 4.013] Inbox ×**SJIF Impact Factor** <evaluation@sjifactor.com>
to me

Jan 3, 2025, 7:44 AM (2 days ago)

Dear Editor/Publisher,

International Journal of Medical, Pharmaceutical and Biological Sciences (ISSN: 2832-787X)

We are pleased to announce that your journal was positively evaluated in the SJIF Journal Rank List evaluation process, which resulted **4.013** (Scientific Journal Impact Factor Value for 2023).

More and more commonly used rating is the criteria of citation which has also a great impact on gaining the Impact Factor rating. Building a lasting process which required strict strategy which is consistently inculcated. In that case we would like to invite you to refer back to our [criteria](#).

Our methodology is prepared by SJIF Experts and contains strict recommendations and initiatives which can be taken to improve the Journal. It will help to gain better scores in different kinds of evaluations and especially in gaining better citation results. They will also help the Journal in the international scientific market.

Thank you for requesting SJIF Value for your Journal.

To download your certificate, please login here : <http://sjifactor.com/apply.php>

Sincerely,
